Jennifer – This is the MOA between EPA and the State of North Carolina for the hazardous waste program. Note that it is from 2015 and is not signed by Michael Regan, but it's the most current one we have.

SUSAN – I assume this is also related to the WASCO issue. . .

Hello All,

Attached is a FOIA request from Rodney Huerter (Veolia North America). It seems as though I have seen this letter he is referring, however, I am not sure.

I requested clarification from Mr. Huerter and his statement is below:

I am requesting the current Memorandum of Agreement between EPA and North Carolina for the RCRA Hazardous Waste Program. It should be the version that is signed by (or on behalf of) Michael S. Regan, Secretary, North Carolina Department of Environmental Quality.

Does anyone have a copy of this letter from Mr. Michael S. Regan, Secretary, NCDEQ.

Thanks again for your help!
